

AMENDMENT TO CONDOMINIUM DECLARATION FOR
THE WOODRUN FIVE TOWNHOUSE CONDOMINIUMS
SNOWMASS VILLAGE, COLORADO

This Amendment to Condominium Declaration is made by the undersigned Owners who hold 66 2/3% or more of the votes outstanding and entitled to be cast under the By-Laws of the Woodrun Five Townhouse Corporation, a Colorado nonprofit corporation.

RECITALS OF FACT

WHEREAS, the Condominium Declaration for the Woodrun Five Townhouse Condominiums, Snowmass Village, Colorado is recorded in Book 401 at Page 630 and re-recorded in Book 401 at Page 875 of the real property records of Pitkin County, Colorado (the "Declaration");

WHEREAS, under the terms of section 11.4 of the Declaration, the Declaration may be amended by an instrument executed and recorded by the Owners of Condominium Units in Woodrun Five who hold 66 2/3% or more of the votes outstanding and entitled to be cast under the By-Laws of the Woodrun Five Townhouse Corporation, a Colorado nonprofit corporation;

WHEREAS, the undersigned Owners constitute the number required to amend the Declaration; and

WHEREAS, the undersigned Owners desire to amend the Declaration to establish the crawl spaces located beneath or adjacent to each Unit as limited common elements--as set forth in more detail in this Amendment;

TERMS OF AMENDMENT

NOW, THEREFORE, the undersigned Owners hereby amend the Declaration as follows:

1. Section 1.5(b) entitled "Limited Common Elements" is hereby amended and restated to read, in its entirety, as follows:

"Limited Common Elements" shall mean those Common Elements reserved for use by fewer than all the Owners which are described herein or depicted on the Map. If any chute, flue, duct, wire, conduit, bearing wall, fireplace, bearing column or other fixture lies partly within and partly without the boundaries of a Unit, any portion thereof serving only that Unit is a Limited Common Element allocated for use solely by that Unit, and any portion thereof serving more than one Unit or any portion of the General Common Elements is a part

11-11-91

of the General Common Elements. The Limited Common Elements shall include, but not be limited to, any shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, patios and the air space above the surface of the ground and within the unfinished walls and ceiling of the crawl spaces located within the foundation walls which support each Unit and accessible solely from such Unit. Any storage areas and parking spaces specifically designated as being appurtenant to a particular Unit, either by the Declarant on the date of recordation hereof or subsequently by Declarant or the Association, shall be Limited Common Elements.

2. Section 4.9 entitled "Limited Common Elements" is hereby amended and restated to read, in its entirety, as follows:

Limited Common Elements. No Owner shall decorate or fence any Limited Common Element without the prior written authorization of the Board. Owners may construct improvements within and use the crawl space limited common element appurtenant to their respective Units, provided, however, no such construction or use may take place unless the Owner (a) first obtains all permits, inspections and other authorizations required by federal, state or local law or regulation, (b) complies with all building codes, fire codes, zoning codes, other life safety codes, PUD agreements and any other requirements of federal, state or local law or regulation which apply to the improvement or the use, (c) first obtains written authorization from the Board if the federal, state or local requirements described in a and b above require such authorization or involve improvements or changes to any common elements of the Association, (d) first obtains written authorization from the Board with respect to any construction or use which involves any alteration to the ground, unfinished walls or ceiling of the crawl space or any permanent attachment to the ground, unfinished walls or ceiling of the crawl space, (e) complies with this Declaration, the Association's By-Laws and any rules and regulations of the Association which may apply to the construction or the use and (f) provides a written notice to the Board of the nature of the construction and use which the Owner intends to conduct. By causing construction to be performed or permitting use to be made of the crawl space limited common element, the Owner of the Unit to which the crawl space is appurtenant

11-11-91

automatically indemnifies and shall defend the Association and each of its other Owners against any and all claims, liabilities, losses and expenses, including reasonable Attorneys' fees, arising directly or indirectly from the presence or construction of the improvements or from the use of the crawl space.

3. Section 6.2 entitled "Responsibilities of Owners" is hereby amended and restated to read, in its entirety, as follows:

Responsibilities of Owners. Each Owner is responsible for providing all Maintenance within his Unit at his own expense, except as provided in Section 6.1(b). Such responsibility shall include without limitation Maintenance of the interior surfaces of the walls, ceilings, doors, windows and floors which define the Unit and any finished or additional surfaces, decoration or materials installed by Declarant, the Owner or their predecessors-in-interest such as carpets, wallpaper, countertops, painting or staining, plug-in appliances and personalty of any kind in the Unit. Each owner is also responsible, at his own expense, for (a) the cleaning of any balcony adjacent to the Unit, the door thereto, all other doors or windows on the Unit, and all machines, attachments, installations and fixtures within the Unit and (b) the cleaning, maintenance and repair of any improvements or owner's property within the crawl space limited common element appurtenant to that owner's Unit.

4. The Board is authorized to cause an amended Map to be prepared and recorded to depict the limited common elements established by this Amendment. Whether or not an amended Map is prepared and recorded, this Amendment shall be effective upon the recording of this instrument together with the counterpart signatures of the required number of owners.

5. Except as expressly amended by this instrument, the Declaration and its prior amendments shall remain in full force and effect.

6. The Amendment may be made by the counterpart signatures of the required number of Owners, and taken together, the counterpart signatures shall have the same force and effect as if a single instrument were executed by all.

Amendment Proposed and Approved
